

**CME for Students and Residents**

Geriatric Medicine Elective  
Geriatric Assessment Unit  
Civic Campus, The Ottawa Hospital

**The Ottawa Hospital**  
**L'Hôpital d'Ottawa**

Students and residents are encouraged to take advantage of the following continuing medical education (CME) opportunity. Particularly when in the Geriatric Day Hospital, if a patient cancels; or while on the Consult service, if there are no new consults, you are encouraged to investigate mdBriefCase website and complete some of the modules listed below.

---

mdBriefCase

<http://www.mdbriefcase.com/>

Registration is required but is free to all Canadian physicians, medical students, residents and nurse practitioners.

All programs are accredited for MAINPRO M1 and Maintenance of Certificate Category 1 credits.

A history of all programs taken is tracked by mdBriefCase program history.
